Good morning,

The documents have been uploaded. I removed "redacted" from the title of each file so it just reads the month of the statement, and added "redacted" instead to the heading of the section. Let me know if you'd like it changed back.

Thanks,
Amie

I'm not sure how you would like them titled, so [here](#) is a sample of what I created. It's only in Staging right now, so let me know your edit requests and I'll make those before going live.
